As a courtesy to you, we wish to advise that your child did not attend the above private instrumental lesson.

As a reminder, please ensure that lesson times are written in the School Record Book.

If your child is going to miss a lesson, please contact the Music Learning Area as soon as possible so that the Instrumental Teacher is informed of the student's absence. Mrs Stephens/Mrs Nicoll, Music Administration, can be contacted on 9524 6284, or a voicemail message may be left on that number. If a student is unwell and absent from school, your phone call to the School Absentee line (9524 6301) is sufficient.

The School cannot undertake to make up a lesson if the student forgets to attend the lesson, is absent from school or has another school commitment which may clash with the lesson time. If there is a clash, the student should request a change of time prior to the day of the lesson. Lessons that are missed without reasonable notice cannot be made up and must be charged to the School account.

Please note the next lesson as listed above.

Please do not hesitate to contact me if you have any queries or would like to discuss your child's progress.

Yours sincerely

Dear Parents

Re: ALICE ANDREWS - private Jazz Piano lessons

Your son/daughter has already begun private music lessons and the following is information you will find useful.

Your teacher's name: Mr Adrian Sanders

Contact details for teacher: 9364 0878 test@bigpond.com

Students are given their own timetable but copies are posted on the notice boards in the music school and students should come to check their lesson times if they are unsure. I would just like to mention the points listed on the enrolment form and students should take particular note of these:

- it is the student's responsibility to inform their MUSIC TEACHER direct giving 48 hours notice if they are unable to attend a lesson due to illness, classroom activities, sports, or any other official school function;
- lessons cannot be made up if insufficient notice is given;
- in the case of sudden illness the MUSIC TEACHER or the MUSIC SCHOOL should be informed before 9.00 am (if a lesson has been scheduled before this time and the teacher has not been contacted, it will not be possible for the lesson to be made up);
- once tuition has begun 4-LESSONS notice in writing is required to terminate lessons.

In most cases you will have been billed for 8 lessons for term 1 and will be charged 8 lessons for each subsequent term. The lessons owing from one term will be carried over to the next and by the end of the year, most students will have had their quota of 32 lessons. You will receive a credit for any lessons owing after term 4.

Should you have any queries please feel free to contact the Music Administrator or myself. We look forward to a very rewarding year for the music students.

Yours sincerely,
